[REDACTED]

Dear [REDACTED]

Thank you for your letter regarding "performance audits" and the attached Evergreen Freedom Foundation pledge.

You are right, I have tried for the past 6 years to get performance audit legislation passed through the Washington State Legislature. To date, I have not been successful. Last session, HB 1053 passed out of the House, but died in the Senate Ways & Means Committee.

I agree with you that my bill should go farther. In fact, I have signed the EFF Pledge and believe it would be better than my previous proposed legislation; however, until the Senate Republicans start supporting performance audits, nothing will pass.

Again, thank you for your letter.

Sincerely,

Mark Miloscia
