RE: PUBLIC RECORDS REQUEST DATED DECEMBER 22, 2003

Dear Mr. Williams:

This letter is in response to Mr. Jason Mercier's December 22, 2003, public records request to the Department of Community, Trade and Economic Development (CTED) under RCW 42.17. Mr. Mercier's request sought the siting agreement between the state of Washington and The Boeing Company.

The enclosed record is responsive to your request for the "Master Site Development and Location Agreement Between The Boeing Company And The State Of Washington, County Of Snohomish, City Of Everett And Certain Other Governmental Units And Authorities Of Or In The State Of Washington" (Agreement.) This Agreement is being provided without its supplemental documents at this time. The supplemental documents will become available once CTED has received them from The Boeing Company and reviewed them for redaction. At this time, The Boeing Company has not yet informed us when we can expect to receive the supplemental documents.

Payment of .10 cents per copied page plus applicable postage is required in advance of sending documents in any format in response to a public request, however due to the fact that the amount due is less than \$25, CTED will waive the customary fee due. Should you require additional copies in the future CTED may opt to bill you for the enclosed printed materials at that time.

Please contact me at 360.725.4021 if you have any questions.

Sincerely,

Karen Dunn
Public Records Officer

Enclosure: Memorandum of Agreement for Project Olympus
